

### **the universities of europe pdf**

A medieval university is a corporation organized during the Middle Ages for the purposes of higher education. The first Western European institutions generally considered universities were established in the Kingdom of Italy (then part of the Holy Roman Empire), the Kingdom of England, the Kingdom of France, the Kingdom of Spain, and the Kingdom of Portugal between the 11th and 15th centuries ...

### **Medieval university - Wikipedia**

The university culture developed differently in northern Europe than it did in the south, although the northern (primarily Germany, France and Great Britain) and southern universities (primarily Italy) did have many elements in common. Latin was the language of the university, used for all texts, lectures, disputations and examinations. Professors lectured on the books of Aristotle for logic ...
