Q&A with Paul Tough. What is Helping Children Succeed about?. It's about what children need in order to thrive – especially children growing up in difficult circumstances – and what kind of practices and policies, in the home and at school, will provide them with the best possible chance at success.

Helping Children Succeed – What Works and Why

For long-term success in school, business and life, learning HOW to think is far more important than learning WHAT to think.. Yet rather than serve as the core of any education worthy of a rational human being, we have relegated the teaching of logic, argument analysis and critical reasoning to specialty courses in universities that reach too few students, too late in their education.

The particular focus of How Children Succeed was the role that a group of factors often referred to as noncognitive or “soft” skills – qualities like perseverance, conscientiousness, self-control, and optimism – play in the challenges poor children face and the strategies that might help them succeed. These qualities, which are also sometimes called character strengths, have in recent ...
