A Utopia (/ j uːˈt oʊˈp i ˈÉ™ / yoo-TOH-pee-É™) is an imagined community or society that possesses highly desirable or nearly perfect qualities for its citizens. The opposite of a utopia is a dystopia. One could also say that utopia is a perfect "place" that has been designed so there are no problems. Utopia focuses on equality in economics, government and justice, though by no means ...

Utopia - Wikipedia

Utopia (Libellus vere aureus, nec minus salutaris quam festivus, de optimo rei publicae statu deque nova insula Utopia, "A little, true book, both beneficial and enjoyable, about how things should be in the new island Utopia") is a work of fiction and socio-political satire by Thomas More (1478–1535), written in Latin and published in 1516. The book is a frame narrative primarily depicting a ...

The story of the 20th century is filled with leaders who promised utopia and instead delivered war, genocide, and dictatorship. This provocative and unsettling subject is covered in this 24-lecture series, which will help you understand this seemingly senseless and inexplicable record of inhumanity and how we may prevent it from recurring.

The word rigor is hard to avoid today, and it provokes strong reactions from educators. Policy makers tout its importance. Publishers promote it as a feature of their materials. But some teachers share the view of Joanne Yatvin, past president of the National Council for Teachers of English. To them, rigor simply means more work, harder books, and longer school days.

Friday, August 15, 2014 . I chuckled over this. Never explained the urge to put it on. Also the dice had to be loaded. Unfortunately being a technologist I am aware a \$3 diamond tool for a Dremel tool would slice right through anything titanium alloy like a hot knife through butter without the heat.

Friday, October 12, 2018 . Your science is a mixed bag here: Only radioactive materials have half-lives that are shorter than the age of the universe, and even when radioactive material decays it doesn't disappear, it just gets turned into something else in the same place, so there should be little surprise that the hull was intact; Your 'exotic matter' on the other hand has simply ingenious ...

by Talal Asad. I. I have used the term "tradition" in my writings in two ways: first, as a theoretical location for raising questions about authority, time, language use, and embodiment; and second, as an empirical arrangement in which discursivity and materiality are connected through the minutiae of everyday living. The discursive aspect of tradition is primarily a matter of linguistic ...

2. PBL is No Accident: In West Virginia, project-based learning has been adopted as a statewide strategy for improving teaching and learning. Teachers don't have to look far to find good project ideas. In this CNN story about the state's educational approach, read about a project that grew out of a fender-bender in a school parking lot. When students were asked to come up with a better design ...
