Physical attractiveness is the degree to which a person's physical features are considered aesthetically pleasing or beautiful. The term often implies sexual attractiveness or desirability, but can also be distinct from either. There are many factors which influence one person's attraction to another, with physical aspects being one of them.

Why these tunes: A long time ago (I think in 1977), when I was living in the Washington DC area, I happened to go to a "Kalevala Festival" at the Lisner Auditorium at George Washington University. Among the various performances was a series of folk dances done to recorded music. Afterwards I went backstage to talk to the woman who obviously ran the dance group, and suggested that live music ...
