In the interests of safety, children under 12 years of age cannot travel alone on BC Ferries unless they are going to and from school or school-sponsored events on designated commuter routes. Such students must be prepared to show a valid student ID. (Note that, while underage children may travel unescorted given the above circumstances, BC Ferries cannot provide direct student supervision.)

The omphalos hypothesis is one attempt to reconcile the scientific evidence that the universe is billions of years old with the Genesis creation narrative, which implies that the Earth is only a few thousand years old. It is based on the religious belief that the universe was created by a divine being, within the past ten thousand years (in keeping with flood geology), and that the presence of ...
