

## **toy soldier pdf**

A toy soldier is a miniature figurine that represents a soldier. The term applies to depictions of uniformed military personnel from all eras, and includes knights, cowboys, pirates, samurai, and other subjects that involve combat-related themes. Toy soldiers vary from simple playthings to highly realistic and detailed models. The latter are of more recent development and are sometimes called ...

Analogies A word analogy draws a relationship between two words by comparing them to two other words. When you write, it is important to understand how words are related. A word analogy shows how word pairs are related. Once you determine how the two words are related, you find the same relationship among the pairs in the
