Uniform Computer Information Transactions Act (UCITA) was an attempt to introduce a Uniform Act for US States to follow. As a model law, it only specifies a set of guidelines, and each of the States should decide if to pass it or not, separately. UCITA has been drafted by National Conference of Commissioners on Uniform State Laws (NCCUSL).. UCITA has been designed to clarify issues which were ...

The New York Stock Exchange has been at the center of capitalism for over two centuries. While the world has changed dramatically during that time, our core mission has remained the same: to help great entrepreneurs raise capital so they can continue to innovate, inspire and shape the future, and in doing so, help the world become a better place by improving the overall quality of life.
