Travel to the Foz do Iguaçu National Park and Pantanal National Park is permitted. Enter any informal housing developments in Brazil (commonly referred to in Brazil as favelas, vilas, comunidades, and/or satellite cities), except in limited circumstances with the appropriate approvals.

### **Brazil International Travel Information**

Brazil. It's an excusable exaggeration. The landmass is bigger than the United States if you exclude Alaska; the journey from Recife in the east to the western border with Peru is longer than that from London to Moscow, and the distance between the northern and southern borders is about the same as that between New York and Los Angeles.
