In the United States, habitual offender laws (commonly referred to as three-strikes laws) were first implemented on March 7, 1994 and are part of the United States Justice Department's Anti-Violence Strategy. These laws require a person guilty of committing both a severe violent felony and two other previous convictions to serve a mandatory life sentence in prison.

Cancer affects people emotionally, financially and physically. If you're an employer you can support staff through training, policy development and resources. Macmillan at work can help you manage cancer in the workplace.

If you are an employer - Macmillan Cancer Support

When I was in college, there were some people on the internet who claimed that you could train yourself to sleep as little as two hours per day. Keep in mind, this was back in the early 2000s when we all still believed random shit we read on the internet. Here's how the story went: There was a hyper-productive sleep schedule that had been discovered by military scientists.

If Self-Discipline Feels Difficult, Then You're Doing It

Acquiring music sheet online, explore different resources to discover what you need. Search through the instrumental music folders to see what they offer.
