Love this paint, and love the color. It is definitely a true white, as others have mentioned. As with all painting projects, you'll want to make sure that you're not painting in 20 degree weather -- we picked a particularly cold weekend for this project and it definitely took 3 coats even with heavy sanding.

Shades of white are colors that differ only slightly from pure white. Variations of white include what are commonly termed off-white colors, which may be considered part of a neutral color scheme.. In color theory, a shade is a pure color mixed with black (or having a lower lightness). Strictly speaking, a "shade of white" would be a neutral beige . This article is also about off-white ...
